SUBJECT LINE: Reminder, PMCC Meeting tomorrow, Friday, Sept. 5

Dear Feedback Network Member,

The second Performance Measures Coordinating Committee (PMCC) meeting will take place tomorrow, Friday, September 5 from 9:00 am to noon at the Puget Sound Regional Council in Seattle. At that time, the three Common Measures Technical Workgroups (Prevention, Chronic Illness and Acute Care) will provide formal updates to the committee on bi-weekly meetings occurring since June 27. The public is welcome to attend in person or by webinar. Space is limited for in person attendance and is available on a first come, first serve basis. Register for the webinar at:
<https://www2.gotomeeting.com/register/624322634>.

NOTE: We have a new webinar system. If you registered previously for this or any other upcoming committee webinar, you must re-register. The inconvenience is necessary to correct past issues. Use the link above or watch for a personal email that will be sent to everyone already registered.

In an effort to keep everyone informed, we are posting all of the meeting materials and webinar registration link on the Healthier Washington Performance Measures page:
http://www.hca.wa.gov/shcip/Pages/performance_measures.aspx.

At this time, the agenda and PowerPoint for the meeting tomorrow are available for review, as well as summaries for past technical workgroup meetings and other meeting materials. Please keep in mind this is an ongoing process and any measures currently listed are subject to change.

Thank you for your interest in helping make Washington a healthy place to live, work, and play!

Let us know if you have any questions.
